We, the Senior class of 1954, proudly dedicate this Annual to our high school sponsor and advisor, Mr. Robert Cochran, in sincere appreciation for the splendid leadership which he has shown us throughout these immortal years.

We can not possibly express so briefly our deep gratitude for the honorable instruction and unforgettable experiences we have received from him, however, we are sure everyone recognizes and appreciates his outstanding accomplishments in our music department.

Dear friends in Senior Class:

I have known all of you since school opened last September. It was nice to know you and to learn with you and to talk with you and to enjoy class work with you. My life in Hartville High School was my first desirable school life in America.

I will not forget this school life and will remember all of you with the name of this school. I think, our graduation will be in May, time is going so fast, also this day will not be so far to us. We will say "Good-by" to each other with graduation. I guess some of you will go to college and some are going to step in social life. However, we must all leave this school.

The graduation means a separation, but I believe, the friendship that we have made through our school life will not change and it will continue forever.

I am a foreign student in the Senior class, and also a Korean student. I truly want to thank you for your kindness and all of the kind favors which already you have shown me.

I am sending my best wishes to all of you, and best of luck and happiness to you.

Sincerely yours,
Keinam Song

CLASS HISTORY

In the fall of 1950, a bunch of scared, dubious but thrilled kids entered the Freshman homeroom. They soon found out, however, that the high school routine wasn't so awesome after all - - the teachers didn't bite and Mr. Cochran, their advisor, was helpful in a wonderful and understanding way. Early in the year they voted the following officers: President, Ted Espenschied; Vice President, Donna Stout; Sec'y., Barbara Townsend; Treas., Susie Brothers; and Student Council: Bonnie Tessmer and Don Hershberger. They initiated themselves into the social life with a square dance, open to the public and called by Doctor Lotz, one of Hartville's better loved citizens by teenagers. Football was good this year and Bonnie Tessmer was elected the Queen's Freshman Attendant for the Homecoming Game and the Dance. They showed their business prowess by selling shakeroos at the games and selling wreaths about town at Christmas time.

They started their Sopohomore year by choosing these class officers: President, Jackie Knowles; Sec'y., Ted Espenschied; Treas., Susie Brothers; and Student Council: Alice Schuck and Don Hershberger. The class number increased by one with the arrival of Charlie Byrd. Susie Brothers was the honored Sophomore attendant to the Queen and Homecoming festivities in '51. A memorable occasion and just for fun was a hayride for the class around Halloween time. And, oh yes, they were allowed to order their jackets this year - - big time! They won the magazine sales drive by a large margin and also were the winners of the contest in this endeavor between grades seven through twelve. Having discovered a little work and industrious endeavor increased the bank account, they earned more money by several paper drives.

Well seasoned now, they called themselves Juniors and proved their importance by wearing their jackets. Great day! They were blue gabardine, sporting a large emblem, the class original design. Donna Stout was the Queen's attendant this year. Next on the list, class officers were voted: President, Margo MacKusick; Vice President, Donna Stout; Sec'y., Bonnie Tessmer; Treas. Susie Brothers. The Junior play, "What a Life" was a great success and the class found out it had some actors and actresses of no mean account. Class rings were ordered this year. Social life was beginning to whirl with dances. A Color Dance was the first, then a few minor ones and following these the grand Junior and Senior Prom held April 25th at the Alliance Country Club. "April in Paris" was the theme and a beautiful party it was. Six members left the class this year: Glennis Oswald, Wayne Stutzman, Eldon Wolf, Barbara Townsend, Betty Goodin and Joyce Strang. Despite the Class's smaller number this was their most prosperous year. They had the usual drives, sold Christmas wreaths and most important, had charge of the concession stand at all home football and basketball games. By now their bank account was the envy of the school.

At long last they were Seniors, that very honorable position in life. Their final voting of class officers went like this: President, Sam Bockius; Vice President, Ted Espenschied; Sec'y., Jim Besse; and Treasurer, Susie Brothers. Early in the fall they received their rings with much excitement. Before Christmas the business of Senior picture-taking at Troup and Pluto's was all over. Homecoming was a grand affair with the Seniors traditionally in charge. October 10th was the date and Susie Brothers was voted Queen with Eleanor Pontius as Senior attendant. Two students, Charlie Byrd and Dorothy Slaybaugh left the class this year but their places were filled by two newcomers, DeLoris Stadler and Keinam Song. The Seniors were happy and proud to have Keinam, all the way from Korea, as a class member. Money making projects this year were Christmas wreath and candy sales and on April 10th, a chicken supper aided and abetted by Senior mothers. Social life whizzed with parties, dances and activities. The Y-Teen Formal was gay and colorful through the efforts of those on the committee, who designed and painted the decor for the cafeteria as a merry-go-round and a carnival to fit the dance theme, Carousal. The Senior Y-Teens also put on a talent show as the year's last meeting and invited eighth grade girls (Y-Teens of next year) to attend. Another Junior-Senior Prom again and very elegant it was, too, and with never to be forgotten memories. The class got a smattering of Art Appreciation when they visited the Canton Art Gallery April 12th. The Senior play, Samuel French's Broadway hit, "Goodbye My Fancy," was presented March 19th and 20th. Through Mr. Purviance's artistry as director plus some fine talent among the class, the play was a great success. Nearing the end of school, all Seniors were anticipating the trip to Washington and the wonderful experiences there. Baccalaureate came all too soon with Rev. Huprich the speaker. Then Commencement arrived, that sad and glad day. Valedictorian, Margo MacKusick and Salutatorian, Frances Susco gave the student speeches with Reverend Ralph M. Besse as guest speaker. So long remembered will be the bitter and the sweet of being a Senior and having to say goodbye. This is the Class History and may the Class of '54 continue to make history always!

Congratulations to the 1953 Hartville High School football team. During the season the Streaks gave it their all and came through with a fine 5-3 record, good enough to capture second place in the league standings. The success of the team was due to its own desire to win, the capable leadership of the coaches, Mr. Cochran and Mr. Sayre, and the whole-hearted backing of the student body.

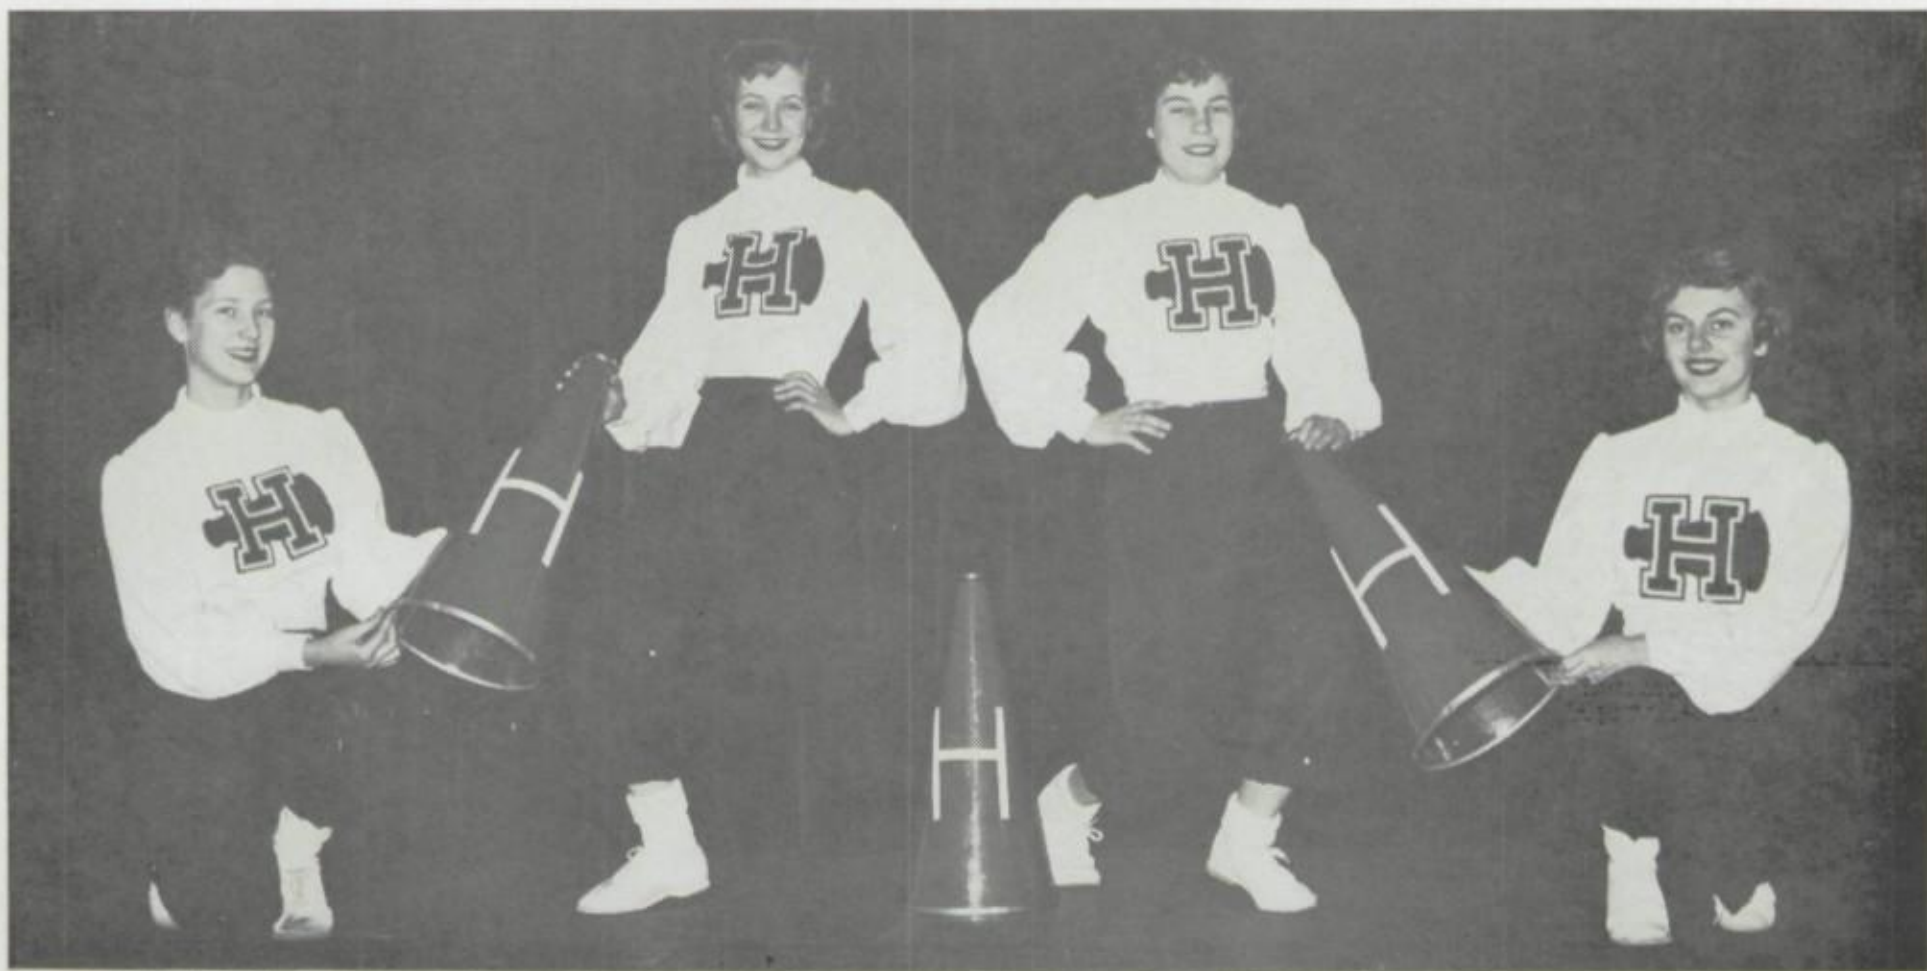

This year's team placed two players on the All-County First Team: Guard Sam Allen and Center Dick Shoemaker. "Shooey" being a unanimous choice.

The Streaks will lose four Seniors this year, but ten lettermen will be returning, so that next season Hartville should have one of the best teams in the county.

The Class of '54 wishes next year's team the best of luck!

Seated: Gene Ringer, Jan Schuck, Roy Hostetler, Wade Lare, Johnny Grubb, Famon Young.

The Streaks started out the season with a bang for Coach Marshall Sayre by winning their first five games over Greensburg, Navarre, East Canton, Greentown, and Marlboro, respectively. Uniontown finally turned the trick by defeating the Streaks 58-55 at the Bobcats home floor. H. H. S. then bounced back with an easy 74-43 win over Brewster. Jackson pinned the second loss on the Streaks 54-45 at Jackson and this quickly followed by a loss to a good East Sparta five before the boys came back with wins over Beach City and Marlboro. Then the Vikings of North Canton pulled an upset by tripping Hartville 49-47 at North Canton. Hartville copped its ninth victory with 59-46 win over Northwest, then invaded the town of Waynesburg where they went down to defeat 69-48 in a hotly-contested game. Then playing one of their best games of the year, the boys from H. H. S. defeated a Uniontown five 59-56 on their home court. The Streaks then dropped their last two league games of the year by losing to Middlebranch 52-44 in an overtime battle, and to Magnolia 52-43 at Magnolia.

In the County Basketball Tournament the Blue Streaks rolled off two straight wins, ousting Brewster 60-22 and then Magnolia 42-39. Then disaster struck as the Streaks lost 59-73 to a sharp-shooting Sparta five, and then were defeated 49-38 by a scrappy Greentown five.

The Streaks gave all they had every game this season and the remaining players plus Reserve help should form a good nucleus for the next year's team. The class of '54 wishes them the best of luck!
